

## OPTIONAL ACCESSORIES

- (1001) Coolant and dust suction system
- (1002) Coolant and dust suction system c/w a magnetic dust separator.
- (1003) Coolant system
- (1004) Coolant system with paper filter
- (1005) Electro-magnetic chuck
- (1006) Coolant system C/W magnetic dust separator.
- (1007) Electro-magnetic chuck, inclining type
- (1008) Permanent magnetic chuck, inclining type
- (1009) Spare Grinding wheel adaptor
- (1010) Automatic demagnetizing controller
- (1011) Vertical rapid feed device
- (1012) Micro feeder for vertical movement
- (1013) Swivel vise
- (1014) Hydraulic dresser mounted on wheel head
- (1015) Hand dresser mounted on wheel head
- (1016) Grinding wheel balancing apparatus
- (1017) Demagnetizer
- (1018) Radius dressing device
- (1019) Angle dressing device
- (1020) "Diaform" wheel forming equipment
- (1021) Plane vise
- (1022) Cylindric grinding attachment (punch former)
- (1023) Sine plates
- (1024) Sine vise
- (1025) Optical-dresser device with microscope (× 10)
- (1026) Digital readout for cross/vertical movement
